

Welcome

Welcoming entrepreneurs to list their enterprises on the test phase of the BusinessFit Quality Assurance and B2B Services App.

100 SMEs

The Durban Chamber and BusinessFit would like 100 SMEs to be part of this initiative, to help them create a profile for their enterprises – and to potentially be introduced into new markets and networks.

FIRST 100, first-year free

There is no first-year cost for the initial 100 entrepreneurial businesses to join the app.

Authority to activate the first 100 enterprises

The Durban Chamber and BusinessFit will have overarching authority to activate the first 100 enterprises – but we will not leave out any enterprises where the organisation leaders are committed and passionate about their work, are contributing to the economy in a meaningful way, and are running well-structured and compliant business.
